List 99 and Enhanced Disclosure Certificate renewal

I am writing to you to ask if you would kindly either sign the list 99 or send in a new enhanced Disclosure certificate. EPTA UK asks members to renew every 3 years in line with other educational organizations.

The Teachers Register is published on the website on the Find a Teacher pages and members of the public can also contact the EPTA UK office to receive a list of teachers in their locality. All members on the list have formal piano teaching qualifications or a reference from a musician of standing in the piano teaching profession.

The EPTA UK Management Committee takes child protection issues very seriously and members wishing to be on the Teachers' Register are requested to either send a photocopy of their most recent Enhanced Disclosure certificate or to sign the List '99 declaration below. You will be asked to do this again in 2020. If you want to apply for a Disclosure Certificate I can put you in touch with an appropriate organisation.

You can choose not to be included in the Register. Some members' teaching practices are full and they do not want to attract more pupils. Some choose to be on the list from the office but not to have their details published on the website.

I should be grateful if you would complete the form below and return it to me. If I do not receive your completed form your name will not be included the Teachers Register.

With best wishes,

Carole Booth
